

Dorchester School District Two (D-2) Board Meeting

December 11, 2017

Observer: Vicki Westberg

Meeting Highlights

Meeting was called to order at 6:08 P.M.

There were no public comments.

Minutes from previous meetings were approved.

Two 2017 D-2 Holiday Greeting cards were unveiled with recognition given to the winning designs submitted by RMSA art student, Sophia Pollack (“Christmas Memories”) and Ashley Ridge art student, Ashlyn Schuler (“Jolly”).

Mr. Pye explained that the delay in opening the new RMSA is due to additional fire code requirements in the science department added after the initial design had been approved. Also, since the auditorium will not be complete until summer, a safety “tunnel” needs to be added for student egress. Students and teachers will be bussed over to the new site to help unpack and decorate their classrooms to be ready for an open house for parents.

A district-wide accreditation team for the Advanced Education Program will be present at the February board meeting.

Personal Note:

Unfortunately I had to leave unexpectedly before discussion of Unfinished Business, Other Business & Correspondence, New Business and Comments.
